

# Univar Grease U3 V120G 00

## Grease for centralized lubrication system and enclosed gears

### Product Description

**Univar Grease U3 V120G 00** is a lithium complex thickened lubricating grease based on mineral oil. The grease contains antioxidants, corrosion inhibitors and EP/AW additives. The grease has good pumpability down to -30 C

### Benefits

- Good pumpability down to -30 C
- Good corrosion protection

### Typical Applications

Suitable for both industrial and automotive applications.

- Chassis lubrication on trucks, construction and forestry machines where the central lubrication system requiring the use of a semifluid grease.
- Enclosed grease lubricated industrial gears

### Typical Technical Data

|                       |             |                   |
|-----------------------|-------------|-------------------|
| Thickener             |             | Lithium Complex   |
| Base oil              |             | Mineral oil       |
| NLGI                  |             | 00                |
| Penetration 60 stroke | ASTM D217   | 400-430           |
| Dropping point        | IP 396      | 170 C             |
| Viscosity at 40 C     | ISO 12058   | 120 cSt           |
| Viscosity at 100 C    | ISO 12058   | 12 cSt            |
| 4- ball weld load     | DIN 51350:4 | 2400 N            |
| Temperature range     | C           | -30 to +100 (120) |

## Corrosion protection

|                          |              |         |
|--------------------------|--------------|---------|
| SKF Emtor WWO dist.water | ISO 11007    | Max 0-1 |
| SKF Emtor WWO salt.water | ISO 11007mod | Max 2-3 |

## Advice

Advice on applications not covered in this leaflet may be obtained from your Univar representative

## Health and Safety

Safety Data Sheets is available on [www.univar.com](http://www.univar.com). It can also be obtained from your Univar representative.

## Handling

Used lubricants should be taken to an authorised collection point. Do not discharge into drains, soil or water.
