

An aerial photograph showing a red tractor with a white cab and a large front loader bucket, driving on a wide dirt road. The road is marked with tire tracks and runs parallel to a dense green forest. The scene is captured from a high angle, looking down at the tractor and the surrounding landscape.

More industry. Less impact.

Shell PANOLIN offers a wide range of high-performance biodegradable* lubricants, delivering unrivalled protection** for your equipment and the environment you're working in. Helping you meet your construction goals with less impact.

Shell
PANOLIN

* Our finished lubricants biodegraded by over 60% after 28 days in the OECD 301 B carbon dioxide evolution test. ASTM D6384-99, Standard Terminology Relating to Biodegradability and Ecotoxicity of Lubricant.

** S4 HLP Synth 32,46,68 is the only Bosch Rexroth approved biodegradable hydraulic oil, it is designed to help equipment operate without interruptions.
